

Bobby House

Named the 2008 Boss of the Year by the Jackson Legal Professionals Association, Bobby is one of the leading insurance lawyers in Mississippi. He has substantial insurance regulatory, corporate and administrative experience and provides general counsel representation to several insurance and insurance related entities. Bobby advises insurers on company formation, mergers and acquisitions, Form A and other insurance holding company act filings, reinsurance transactions, regulatory examinations, legislation as well as regulatory related litigation matters.

Bobby is past chair of the Insurance Regulation Committee of the American Bar Association's Tort Trial and Insurance Practice Section and is an active member of the Federation of Regulatory Counsel, which recognizes expertise in the representation of those in the insurance industry. He regularly attends the quarterly meetings of the National Association of Insurance Commissioners.

He is a graduate of the University of Mississippi (B.Accy., 1984; J.D., 1998) and is a Certified Public Accountant.
