

Trudy Allen

Trudy B. Allen is a shareholder in the Firm's Education, Environmental and Government Law Practice Group. She is a graduate of Louisiana State University (B.S., 1977) and Tulane Law School (J.D., 1980). She is a member of the Louisiana and Mississippi Bar Associations. Ms. Allen has served as chair of the Mississippi Manufacturers Association's Environmental Committee and is a member and past officer of the Mississippi Bar Association's Environmental Committee. She chaired the Title V Air Advisory, a part of the Department of Environmental Quality, from the inception of the Title V program in Mississippi for two consecutive terms.

Prior to joining the Firm, Trudy represented a three-state thirty-three bank asset based lender in all aspects of finance and environmental transactions including land development and CERCLA litigation. She also served for twelve years as environmental counsel to a New York stock exchange chemical manufacturer for its operations both within the United States and its international based operations, including all phases of permitting and compliance under CAA, CWA, RCRA, CERCLA, SARA, TSCA, FIFRA and

represented the company and its subsidiaries before the environmental regulatory boards of each state where the company operated. Ms. Allen has extensive experience litigating groundwater contamination from industrial operations, including the negotiation of remediation solutions with both federal and state government.

She is listed in *The Best Lawyers in America*, Environmental Law Section and in *Chambers USA: America's Leading Business Lawyers* for Environment.
